## PROFILE

Intend to utilise my technical and behavioural skills in a real business scenario, which will help me to recognise the organisational goals and achieve them through hardwork and dedication. Also, intend to have a challenging and satisfying career and work as a team to meet the standards of the organisation.

## PROJECTS

### Weight Converter

Developed a weight converter tool that accurately converts between various units of measurement ( Example - Pounds , Kilograms , Grams , Ounces )

Implemented user friendly interface.

### Sign Up / Login Page

The project highlights the design and functionality of a sign up and login page.

This sign up page allows new users to create an account by entering their information, while the login page enables users to access their accounts using their credentials.
